Opening Prayer

Let us be still for a moment as we draw near to worship God.
Take just a few seconds to remind yourself why we are gathered together today....
Listen, God speaks even through the background noise of the world around us.....

Lord God, in this short time together, open our ears and our eyes to see your vision for his place and our part within it.
Teach us, hear our prayers and enable us for service wherever you might take us, to your praise and glory.
Amen

- school division policies
- school council policies
- school volunteers
- provincial achievement test results and diploma exam results
- guidelines and principles for the school resource allocations
- fundraising
- training and/or information needs of school council members
- school policy on use of facilities by the larger community
- school budget
- student attendance procedures, standards of student conduct and bullying issues
- services for students to improve learning, such as assistance from reading specialists and guidance counsellors
- school calendar and adjustments in school hours
- graduation and other school celebrations
- facility renovations
- ways of reporting achievement results to parents and public
- methods of communicating with parents and the public
- promotion of the school in the community
